Sir:

This paper is filed in response to the Notice of Allowance mailed November 8 2006, and the Examiner's Amendment based upon an October 31, 2006 telephone interview, with Applicant's attorney. As the Examiner and applicant's representative discussed telephonically on December 8, 2006, there is a typographical error in the Examiner's Amendment: in the preamble of claim 21, applicant's attorney authorized the Examiner to replace the word "having" with the word "storing." However, the Notice of Allowance indicates that "having" was replaced with "storing a." This additional article "a" is unnecessary and grammatically incorrect. Applicant's representative respectfully requests the Examiner to delete the article "a" after the word "storing."

If the Examiner needs further information relating to the telephone interview, he is asked to contact the undersigned.

Dated: Dec. 8, 2006

Respectfully submitted,

By
